MADAGASCAR ~ AN OVERVIEW

Madagascar split off from the African continent 80 million years ago to form the world's fourth largest island. It's a living laboratory for evolution, where you can explore its diverse landscape of spiny desert, tropical moist forest, tropical dry forest and mountainous terrain looking for quirky creatures and botanical marvels. The vast majority of its flora and fauna are endemic—meaning they exist nowhere else in the world—including more than 100 species of lemurs. Frogs, birds, chameleons, and the number one endangered tortoise in the world, Angokoka, commonly known as a ploughshare—all make their home in a country with a unique blend of Asian and African cultures. Marco Polo first reported the island's existence, and throughout the centuries embattled African slaves, intrepid Indian and Portuguese traders, European pirates, and French colonists have arrived on its shores and gone on to create 18 official "tribes." During your travels, spot the creative spirit of the Malagasy people expressed in their thoughtful and colorful monuments dedicated in honor of their ancestors. Bring a spirit of adventure while you traverse this beautiful island paradise of arid and tropical contrasts and you will be amply rewarded with Malagasy hospitality and incomparable memories.

DAYS 18/19/20~SUNDAY/MONDAY/TUESDAY~SEPTEMBER 23/24/25

NAIROBI/LEWA DOWNS CONSERVANCY

Depart on your short flight to the Lewa Downs Conservancy, a private wildlife sanctuary in the northern district of Kenya. This is an area of open plains, long, waving yellow-gray grasses and gently rolling hills rising in the distance. As one of Kenya's major private conservation successes located at the foot of Mt. Kenya, Lewa Downs has been the Craig family home since 1924 when the Craig grandparents came from England and began raising cattle here. "Leave room for the wildlife" has been the Craig ethic, as the area is committed to the conservation of wildlife and diverse habitats found on the northern slopes of Mt Kenya. Endangered species abound in the Lewa Wildlife Conservancy, most famous around the world for its rhino conservation efforts.

While you are here, you may see everything from elephants and rhinos, to dik-diks, reticulated giraffes, elands, hartebeests, gerenuks, warthogs, impalas, Grant's gazelles, greater kudu, Cape buffalo, and bushbucks. Also, two species of zebra graze the plains: Burchell's and Grevy's. Lions, leopards, and cheetahs may be sighted. The Lewa swamp hosts a small population of sitatunga where a small, elevated blind has been built to offer visitors opportunities to view this rarely seen, semiaquatic antelope. You will be able to explore the ranch by foot, on horseback or with a special four-wheel-drive vehicle. A night drive is another unique experience, when you may see nocturnal animals such as aardvarks, aardwolfs, genets, caracals, porcupines, spring hares, and galagos. During your drive, stop and feast your eyes on the brilliant, star-studded sky, taking a moment to absorb the wondrous African night. This is definitely what Mother Nature intended!

Lewa Downs Safari Camp is located inside the Ngare Seroi Rhino Sanctuary, where the permanent tented accommodations are discrete and comfortable, placed on raised platforms with stone walls of local lava rock. These, along with the main buildings, are thatched with a beautiful woven papyrus that was introduced to the area from Scotland in the 1920s. Overnights at the LEWA DOWNS SAFARI CAMP. THINGS YOU NEED TO KNOW ABOUT MADAGASCAR

- Participants must be able to climb unassisted in and out of minibuses, land cruisers, and small aircraft. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time (6–8 hours maximum), as well as some off-road experiences when opportunities allow.
- To enjoy Madagascar to the fullest, one needs to be able to trek some distances, particularly when visiting rain forests. To follow playful lemurs, you must be quick on your feet and trek over uneven terrain.
- Participants should also be able to stand and/or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages and towns. Some, if not most, of this walking may be on uneven ground or uphill. This journey is classified as moderately strenuous.
- Approximately 15% of the roads in Madagascar are paved, which means they are covered in macadam, tarmac, or cobblestones. Many of these paved roadways will be in or around major cities. As you head further into the hinterlands, the roads begin to exhibit various stages of disrepair and can range from poor to awful. During the rainy season, between November and April, many roads become impassable. While you will be situated in the relative comfort of your transport, it will be a bumpy and somewhat laborious task driving between destinations. *Driving times noted in your itinerary may vary significantly, depending on local conditions at the time of travel.*

In general, this trip requires:

- Flexibility and good humor: unexpected changes and/or glitches will occur!
- A spirit of adventure and curiosity!
- Interest in and willingness to appreciate a destination with a modest infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings, and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the “land only” rate for this program. **The start and end city for this program is Antananarivo, Madagascar.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

RATES: Rates are based on the minimum number of guests outlined in this document, plus airfare costs, currency exchange rates, and other factors and are subject to change. Although it is rare for Classic Escapes to make a price adjustment after promotion of an itinerary, we do reserve the right to assess a surcharge if the minimum number of travelers is not met, or if increases are forced upon us by airlines or other partners or because of changes in currency exchange rates.

NOT INCLUDED: Cost of passport and visa fees, as well as service charges for obtaining visas; excess baggage charges levied by airlines; laundry and other items of a personal nature; optional travel insurance policy; cost for anything not specifically included in listing above.

However, if this is not possible, you will be required to pay the single-room supplement prior to your departure from the USA.

CANCELLATIONS: Cancellations are only effective on receipt of written notification. The following per person fees are applicable on this tour:

- Up to June 3, 2018, 95 days prior to departure, less \$300 handling fee, plus \$250 nonrefundable deposits given to overseas suppliers.

- After July 3, 2018, 65 days prior to departure, no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines. **WE STRONGLY RECOMMEND THAT YOU OBTAIN THE OPTIONAL TRIP CANCELLATION INSURANCE POLICY.**

CHANGE FEES: Once you reserve your tour, changes are possible, subject to availability, of air or land space at the time of request. Should there be any change in fees imposed by airlines or ground operators, or additional costs incurred due to availability of any space, this cost will be invoiced to you.

SPECIAL ARRANGEMENTS: We would be happy to make additional travel plans for you, including specially arranged pre- or post-tour extensions different than those that may be offered in conjunction with this tour. A service charge of \$150 per person (over and above the cost of the services required) will be assessed.

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

DOCUMENTS

PASSPORT & VISAS: It is the guest's responsibility to ensure that passports and visas are valid for the countries visited and for the applicable time period, as outlined by the U.S. Department of State (travel.state.gov) or by the passport holder's country. Classic Escapes, their staff and their agents, cannot be held liable for any visas, etc., not held by the guests, nor for the cost of obtaining visas.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send a pre-departure packet to you. This packet contains all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, etc.

FINAL DOCUMENTS: Final documents and tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

OPTIONAL AIR TRANSPORTATION: Round-trip, economy-class flights via SOUTH AFRICAN AIRWAYS and/or other IATAN carriers are between SAN DIEGO and the destination city noted in the itinerary. Rates are based on special promotional fares; cancellation fees apply once tickets are issued. Departures from other cities in the USA are possible at additional cost, so please inquire at the time of reservation. Please note that these promotional fares are subject to 10 passengers traveling together on the same airline routing and itinerary. If this minimum is not met, the special group rates are not applicable and it might become necessary to issue instant purchase tickets earlier than when final payment is due in order to take advantage of airfares that are similar to the group rates. Should this occur, you will be contacted with the details.

AIRLINE SEATING: For SOUTH AFRICAN AIRWAYS, we request seats together for the group. All planes are nonsmoking. We can request a seating preference on your behalf, however, requested seats cannot be guaranteed. Requests should be made in writing no later than 60 days prior to departure. Bulkhead and/or emergency row seats can only be requested at airport check-in on the day of departure. Boarding passes will only be issued at the airport on the day of departure. You may inquire about seat changes during check-in, based on availability, and it is at the sole discretion of airport staff.

FREQUENT FLYER MILEAGE: As mentioned, we work primarily with SOUTH AFRICAN AIRWAYS. For a list of the airline's partners, visit <http://www.staralliance.com/en/about/airlines/south-african-airways/>. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Round-trip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

TRIP DETAILS

ACCOMMODATIONS: You will marvel at the wonderful accommodations provided throughout your tour. All rooms have private bathroom facilities and air conditioning and/or fans. All rates are based on double occupancy. Most rooms are twin-bedded, but king-size beds are occasionally available and should be requested in advance. Accommodations listed in this itinerary are correct at time of writing, but on rare occasions they may be substituted for a different property of comparable quality.

MEALS: All meals as specified in the itinerary. Please notify us if you have special dietary needs or requests, and we will do our best to accommodate you.

INOCULATIONS: When it comes to vaccination and disease prevention, we suggest that travelers first review information provided by the U.S. Centers for Disease Control and Prevention (www.cdc.gov/travel) and then review those details with their personal physicians.

WATER: It is always advisable to drink bottled and/or filtered water when traveling overseas. Safe drinking water will be provided to travelers free of charge in the vehicles and during meals.

BAGGAGE: On average, international flights from the USA allow two pieces of checked luggage, each not exceeding 50 pounds. However, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. Despite this weight allowance, we always suggest guests travel light. Also, soft-sided duffel bags are ideal for this tour, as they stow best in vehicles and airplanes with limited space.

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.
