JANUARY 24 Arrive in Orlando on your independent flight and meet fellow travelers and expedition staff at the **Four Seasons Resort Orlando**.

JANUARY 25 – 27 Machu Picchu is the most outstanding and best-preserved example of Inca architecture in existence today. LIMA, PERU → EASTER ISLAND, CHILE: 5H 20M

EASTER ISLAND, CHILE

Ponder the enigmatic culture that created the imposing moai on remote Easter Island, known as “the island of a thousand mysteries.”

JANUARY 28 – 29 Local legend tells of a Polynesian chief who first sailed to **Easter Island** in a double canoe 1,500 years ago, a journey that would have taken at least two weeks at sea.

What happened to the Rapa Nui people in the centuries that followed remains a mystery. Their rapid decline has been attributed to everything from environmental degradation, civil war and disease to the impacts of constructing elaborate monuments—called **moai**. Experts still do not fully understand what the statues signify, nor how the Rapa Nui people moved the massive **moai**, which weigh as much as 20 tons.

Gain insight into the island's fascinating history from former governor Sergio Rapu. Explore the striking ceremonial village of **Orongo**, home of the mysterious cult of the birdman. At the ceremonial complex of **Ahu**

Tahai, see **moai** as the artists intended them to be; this site is home to statues carefully restored by the late archaeologist Dr. William Mulloy. In the fascinating quarry of **Rano Raraku** examine hundreds of **moai** left in various stages of completion and learn how Easter Islanders may have transported the massive statues.

On our last evening, indulge in a festive dinner complete with a scintillating performance of traditional Polynesian music and dance.

ACCOMMODATIONS The unique **Hangaroa Eco Village and Spa** was designed to honor the ceremonial village of Orongo and inspired by the architectural shapes of the ruins. The hotel features a pool and relaxing spa.

APIA, SAMOA

Experience Polynesian culture and the warmth of island hospitality in Samoa, a chain of volcanic islands located between Hawaii and New Zealand.

JANUARY 30 – 31 Cross the international date line, losing a day en route, before arriving in **Samoa**.

The complex celestial navigation and dangerous open ocean voyages taken on by early **Polynesian settlers** are considered one of the greatest stories of human exploration. Even today, the majority of Samoa's population follows a traditional village lifestyle. During this brief stopover on our way to Australia, enjoy **idyllic island surroundings** and sample **rich Polynesian culture** in the middle of the South Pacific.

Tour **Villa Vailima**, the estate where *Treasure Island* author Robert Louis Stevenson spent the last years of his life. Enjoy a private **kava** ceremony—an important tradition named after the Polynesian signature beverage.

Opt to visit a **Samoa Women's Committee**, where you will learn more about island life and have the opportunity to support grassroots efforts. Women help manage everyday village affairs through these committees, which are an integral part of Samoan society. See how they weave traditional mats and craft garlands—skills that are passed down through generations—and get an up-close look at local village culture. Enjoy a festive **fia fia** feast and show. Held poolside, this spectacle of indigenous performance includes a dazzling **fire-dance**.

FEBRUARY 1 - 2 Deemed one of the seven natural wonders of the world, the **Great Barrier Reef** is considered the largest structure made by living organisms. Though reefs cover about one percent of the ocean floor, they support roughly 25 percent of marine life. They also provide an important role as buffers against storms and waves.

Many of the **1,500 species of tropical fish** and **30 whale species** that inhabit the reef can be found here. Leaving the Tour in progress, for any reason whatsoever, will not result in a refund, and no refunds will be made for any unused portions of the Tour. If you cancel and are able to provide a substitute Participant for the Tour, you will receive a full refund of money paid toward the price less, an administrative charge of \$25 for effecting the substitution once the substitute Participant has paid in full. **If TCS makes major changes prior to departure, you have the right to cancel and receive a full refund. Please note that the costs for visas, commercial air tickets, insurance, suite upgrades, and pre- or post-expedition independent arrangements may not be refundable.** The following are major changes: (1) a change in the departure or return date, unless the change results from a flight delay experienced by the air carrier (If, however, the delay is longer than 48 hours, it will be considered a major change); (2) a change in the origin or destination city for any flight leg, unless the change affects only the order in which cities named in a tour package are visited; (3) a substitute of any hotel of lower standard; (4) a price increase of more than 10 percent occurring 10 or more days before departure. In no event can TCS increase your price less than 10 days before departure. If a major change must be made in the Tour, TCS will notify you within 7 days after first learning of the change, but in any event at least 10 days prior to the scheduled departure. If, less than 10 days before scheduled departure, TCS becomes aware that a major change must be made, TCS will notify you as soon as possible. **Within 7 days after receiving notification of a major change, but in no event later than departure, you may cancel your reservation and you will receive a full refund within 14 days after canceling. If a major change occurs after the departure of the flight, which you are unwilling to accept, TCS will refund, within 14 days after your scheduled return date, that portion of your payment which applies to the services not accepted.** If TCS must cancel the Tour in its entirety, TCS will notify you in writing within 7 days of the cancellation, but in no event later than 10 days before the scheduled departure date. **TCS has no right to cancel the Tour less than 10 days before departure, except for circumstances that make it physically impossible to perform the Tour.** If that occurs, TCS will notify you as soon as possible, but not later than the scheduled departure date. If the Tour is canceled, TCS will make a full refund to you within 14 days after cancellation. The rights and remedies made available under this contract are in addition to any other rights or remedies available under applicable law. However, TCS offers refunds under this Agreement with the express understanding that the receipt of that refund by a Participant waives the additional remedies.

TERMS AND CONDITIONS

Itinerary Changes: The itinerary and staff are subject to modification and change by TCS. Every reasonable effort will be made to operate the Tour as planned; however, should unforeseen world events and conditions require our itinerary to be altered, TCS reserves the right to do so for the safety and best interest of the group.

Single/Shared Accommodations and Suite Upgrades: A limited number of single rooms are available at extra cost on a first-come, first-served basis. TCS will make reasonable efforts to assist persons requesting a roommate. If a roommate is not confirmed, the single rate will be charged. Suite rooms are available in some destinations; more information about them, including their additional costs, will be sent to you in the months before departure.

Airfare: We are happy to assist you in reserving commercial flights from your home city to the trip departure city, and from the trip's final destination to your home city, in the class of service that you prefer. Please ask for details.

Visa Documents/Entry Permits: To participate in the Tour, visas and/or entry permits may be required for some countries. Acquiring visas and/or entry permits is the responsibility of the Participant. Failure to obtain visas and/or entry permits does not negate the terms and conditions. Any extra costs for rerouting Participants without visas and/or entry permits will be the responsibility of the Participant. We will provide information on the necessary visas and/or entry permits in the Tour documents.

Health Requirements: This is an active trip that requires you to make a realistic assessment of your health. All Participants are expected to be in active good health, to be comfortable traveling as part of a group, and to be ready to experience cultural differences with grace. Walking and climbing stairs are required in many hotels and airports, and to board the aircraft, and are part of many excursions. Please note: To go to certain destinations or participate in certain activities, such as visiting a high-altitude area (8,000 feet above sea level and higher), you may need to obtain your physician's approval. A form will be sent to you for your physician to sign. We are prepared to arrange for an alternative destination or activity if your physician recommends it. Malaria and other diseases may be present in some of the countries featured in this itinerary; proof of yellow fever inoculation may be required. For the latest recommendations on specific health precautions for the areas you will visit, consult your physician and the Centers for Disease Control. Any physical condition requiring special attention, diet, or treatment should be reported in writing when the reservation is made. We will make reasonable efforts to accommodate Participants with special needs; however, we cannot

accommodate wheelchairs. If you require a slower pace, extra assistance, or the use of a cane or walking stick, arrangements will be made for private touring at each destination, if necessary, at the discretion of our Tour staff. Any extra cost for such arrangements will be the responsibility of the Participant. If you would like to forego some of the scheduled sightseeing to rejuvenate and relax, please feel free to do so at any time.

Photography and Video: We reserve the right to take photographs or videos (the "Photography") during the Tour and to use the Photography for promotional purposes. Participants who prefer their images not be used must notify us in writing before the commencement of the Tour.

Basis of Rates: All prices are based on two persons sharing a room. All prices and fares are quoted in U.S. dollars. The rates are based on current tariffs and are subject to change due to unforeseen circumstances. While TCS will make reasonable efforts to maintain the listed prices, if it is necessary to levy a surcharge, TCS reserves the right to do so and will notify you at the time of final invoicing. TCS reserves the right to cancel the Tour because of inadequate enrollment that makes the Tour economically infeasible to operate. In such a case, a full refund of the Tour cost will be made.

Release of Liability: The passenger tickets in use by the carriers shall constitute the sole contract between the carriers and the passenger; the carriers are not responsible for any act, omission, or event during the time expedition Participants are not aboard their conveyance. Neither TCS, nor Sponsor; nor any of its respective owners, directors, employees, contractors, officers or agents (collectively, the "Released Parties") shall be held liable for (A) any damage to, or loss of, property or injury to, or death of, persons occasioned directly or indirectly by an act or omission of any other provider, including but not limited to any defect in any aircraft, watercraft, or vehicle operated or provided by such other provider, (B) any loss or damage due to delay, cancellation, or disruption in any manner caused by the laws, regulations, acts or failures to act, demands, orders, or interpositions of any government or any subdivision or agent thereof, or by acts of God, strikes, fire, flood, war, rebellion, terrorism, insurrection, sickness, quarantine, epidemics, theft, or any other cause(s) beyond their control, and (C) any and all claims, actions, or losses for bodily injury, property damage, wrongful death, loss of services, lost profits, consequential, exemplary, indirect, punitive damages or otherwise that may arise out of or occur during your travel in connection with the Tour. The Participant waives any claim against any of the Released Parties for any such loss, damage, injury, or death, including any right to seek consequential, punitive or exemplary damages against any of the Released Parties for any reason whatsoever. None of the Released Parties shall be liable for any air carrier's cancellation penalty incurred by the purchase of a nonrefundable ticket.

Acknowledgment of Risk: You understand and acknowledge that your travel in connection with participation in the Tour or any activities which may take place during the Tour, may involve travel to a country where a U.S. Department of State travel warning is in place and may involve risk and potential exposure to injury or fatal injury and that risk and dangers may arise or be caused by the negligence or participation of other Participants, contractors, and/or subcontractors for the Tour or from other foreseeable and unforeseeable causes including weather and other acts of nature.

Express Assumption of Risk and Responsibility: In recognition of the inherent risk of the travels and related activities in which you are intending to engage, you confirm that you are physically and mentally capable of participating in the Tour and that you willingly and voluntarily assume full responsibility for any injury, loss or damage suffered by you or caused by you. By registering for the Tour, you certify that you do not have any mental, physical or other condition or disability that would create a hazard for yourself or other Participants. TCS reserves the right in its sole discretion to accept, decline to accept or remove any Participant on the Tour and reserves the right, subject to the terms and conditions contained herein, to withdraw any part or all of the Tour and to make such changes as may be necessary.

Arbitration: Any controversy or claim against Operator arising out of or relating to this Agreement or the performance there under, including without limitation any claim related to bodily injury, property damage or death, shall be settled by binding arbitration in Seattle, Washington, U.S.A., in accordance with the rules of the American Arbitration Association then existing, and judgment on the arbitration award may be entered in any court having jurisdiction over the subject matter of the controversy. Such proceedings will be governed by substantive Washington law. This agreement to arbitrate does not waive or modify the liability release contained in this document.

Exclusive Governing Law and Jurisdiction: This Agreement shall be governed by federal laws and the laws of the State of Washington, without regard to conflicts of laws principles. With the respect to the Operator: if the right to seek arbitration is for any reason waived by both parties, or if judicial review of any arbitration is sought, any action or legal proceeding arising out of this Agreement shall be brought exclusively in the courts of the State of Washington, or, if it has or can acquire jurisdiction, in the United States District Court for the Western District of Washington or the appropriate appellate courts, and the parties hereby waive any objection to venue or jurisdiction in connection therewith. In connection with any action or legal proceeding arising out of this Agreement, the parties hereby specifically and knowingly waive any rights that either party might have to demand a jury trial. With respect to the Sponsor: Any action or legal proceeding arising out of this Agreement shall be brought only in a United States federal court of competent jurisdiction.

By registering for the Tour, the Participant agrees to the Operator-Participant Contract and Terms and Conditions set forth in this Agreement.
