DAY 3~TUESDAY~NOVEMBER 2

MTO WA MBU VILLAGE/NGORONGORO CONSERVATION AREA

Depart this morning for the village of Mto Wa Mbu to learn the true value of ecotourism and how far your dollar goes. During the final years of the 20th century, Western influence coupled with growing economic challenges threatened to

erase the cultural heritage still found in many traditional African villages. That's when the Netherlands Development Organization, or SNV, came up with the concept of "cultural tourism." Beginning in 1995, the SNV worked with the Tanzania Tourist Board to develop a program whereby local people earn extra income by organizing tours of their own communities. Demonstrating the native crafts, practices, and traditions that have been a part of their tribal heritage for centuries, native Tanzanians were able to retain their culturally rich way of life while offering tourists a unique and fascinating experience. The proceeds are put into a Village Development Levy (VDL) and funneled back into each community for

specific development projects, such as construction of schools, irrigation, and soil conservation activities, cattle dips, and several income generating projects by women's groups.

Mto Wa Mbu village is one of the participating villages, located on the shores of Lake Manyara and a living example of one of the richest linguistic mixes in Africa. Home to over 90 tribes, Mto Wa Mbu is quite possibly the only place where you can hear Bantu, Nilotic, Khosian, and Cushitic accents spoken in the same marketplace together with the diverse lifestyles and heritage that comes with these people. The village, which few tourists visit, is a microcosm of life in rural Tanzania today. Following a lunch of traditional Tanzanian dishes served under banana trees in the heart of the village, explore the area with your village guides. Your leisurely stroll will take you through local homes, farmlands where banana, millet, cassava, and corn are grown, resident bars, a kindergarten, and a church. Afterwards, head to the highlands and your stunning accommodation.

Located on a coffee farm and facing the Oldeani Volcano, the Ngorongoro Farm House provides an experience reminiscent of the atmosphere of old times, and is comprised of three separate and intimate camps of 9 comfortable bungalows attractively built in the style of an old colonial farm and rustically decorated with local materials. The huge main building with a thatched roof contains the reception, bar, dining area, library, and lounge with a fireplace where you can enjoy a rest during the cool evenings in the highlands. Common areas are completed by a swimming pool with superb views of Oldeani Volcano and a craft shop. There is an organic vegetable and flower garden that covers some acres. You will enjoy excellent homemade cuisine prepared using the dairy and fresh vegetables produced by the farm all year around.

DAY 4~WEDNESDAY~NOVEMBER 3

NGORONGORO CONSERVATION AREA/NGORONGORO CRATER

Today you board your Land Rover for an amazing journey as you descend onto the floor of the crater, a World Heritage site, which is an extinct volcano and the largest unbroken caldera in the world. The cone is believed to have collapsed nearly two million years ago, and while the cone was standing, it could have been as tall, if not taller, than Mount Kilimanjaro. The crater (1,800 feet deep and 102 square miles) is a microcosm of East African scenery with abundant wildlife including more than 25,000 larger animals, mostly herds of zebra and wildebeest. This is also the best place in Tanzania to see magnificent black-maned lions.

This area offers an outstanding opportunity to see black rhinos, as they are protected around the clock. Over the years, the floor of this crater has become mostly savannah (grassland), with a soda lake whose size changes depending on the rains that are the lifeline of this amazing land. On this lake, marvel at the colorful flamingos and a variety of other water birds – more than 100 species of birds found here that are not found in the Serengeti. Resident ostrich, crowned crane, and kori bustard are joined seasonally by migrant flocks of white and Abdim's storks. Patience may also reward you with glimpses of leopards, cheetahs, hyenas, jackals, elephants, warthogs, buffalo, impalas, hartebeests, elands, and many other antelopes. As you descend, you might be able to see the local Maasai as they take their cattle down the steep walls of the crater. It is their right, negotiated with the government and parks authority, to graze their cattle in about 75% of the crater floor. The mix of cattle with the wild animals makes for some terrific photographs, and the interaction between domestic and wild animals is almost unbelievable. At the hippo pool, take a rest and enjoy your

picnic lunch. Then resume your game-viewing and look for that special photograph, before returning to the rim of the crater six hours later (regulations now specify that no one can stay longer than six hours daily on the crater floor) and drive to your lodge.

Overnight at NGORONGORO FARM HOUSE. (B,L,D)

DAYS 5/6~THURSDAY/FRIDAY~NOVEMBER 4/5

TARANGIRE NATIONAL PARK

Continue your adventure in Tanzania with your visit to Tarangire National Park, the third largest national park in Tanzania. The feeling that this is a special, almost magical place strikes you as soon as you enter Tarangire, and you witness your first baobab tree. Here, the gently rolling countryside is dotted with these majestic trees, which seem to dwarf the animals that feed beneath them. Called the "tree of life," many myths and legends surround *Adansonia digitata* (*Adansonia* for the French surgeon Michel Adanson and *digitata* meaning hand-like, a reference to the shape of the leaves). Your guides regale you with one or two of these tales as you pass through the park.

This stretch of Africa is spectacular in the dry season when many of the migratory wildlife species come back to the permanent waters of Tarangire River. Huge herds of wildebeest, zebras, elands, and oryx gather to stay in Tarangire until the onset of the rains when they migrate again to good grazing areas. For those who love birds, Tarangire has over 300 bird species. But in addition to all those magnificent trees, birds, and beasts, Tarangire is superlative for another reason---elephants. Tarangire is home to the largest population of elephants in northern Tanzania, now numbering close to 2,500 individuals.

Your accommodation for the next two nights is a permanent safari camp built close to the shores of Lake Manyara in a wildlife-rich area with impressive views of the Rift Valley and Ngorongoro Highlands and is a 25,000-hectares concession area set aside for conservation by the local Maasai Community. The 26 spacious tents and the 10 lodge rooms as well as the public areas of the camp are built on raised decks and have en suite bathrooms with built-in showers and mosquito netting, and private verandahs overlooking the valley and Lake Manyara. There is a lovely swimming pool with beautiful views located at the end of the main decking area attached to the bar and dining area, overlooking the plains. Enjoy delicious indoor or outdoor dining at the camp's restaurant, accompanied by lovely wilderness views.

DAYS 7/8~SATURDAY/SUNDAY~NOVEMBER 6/7
TARANGIRE NATIONAL PARK/ARUSHA/AMBOSELI NATIONAL PARK

Today's drive takes you back to Arusha in time for lunch. Afterward, drive toward the Namanga border where you cross into Kenya and continue to Amboseli National Park, located at the foot of Africa's highest mountain, Mount Kilimanjaro. The snow-capped peak of Mount Kilimanjaro rises above a saucer of clouds and dominates every aspect of Amboseli. This park covers only 150 square miles, but despite its small size and its fragile ecosystem it supports a wide range of mammals (well over 50 of the larger species) and birds (over 400 species). Years ago, this was the locale around which such famous writers as Ernest Hemingway and Robert Ruark spun their stories of big game hunting in the wilds of Africa. This, too, is part of Maasailand, and it's not unusual to see the proud Maasai warrior or small children tending their cattle as you traverse their territory. In this land, animal and man have learned to coexist and thrive together, despite the harsh conditions. This is also the park that has been made famous by Cynthia Moss, the noted American naturalist and author who has one of the longest-running studies on elephants. You might have seen some of the elephants that Cynthia has immortalized in her many books and award-winning film, *Echo of the Elephants*.

In the shadow of Mount Kilimanjaro, beside a copse of giant acacia trees and a gently flowing natural spring, stands Amboseli Serena Safari Lodge. With Kilimanjaro's 19,340-foot snow-capped summit presiding over the landscape, the setting is unrivalled. All around the lodge roams the wildlife that has made East Africa legendary: lions, buffalo, cheetahs, giraffes, baboons, gazelles, and wildebeest. Influenced by native Maasai architecture, the lodge is in perfect harmony with its environment. Beautifully landscaped gardens, unique guest services, and exceptional amenities enhance the distinctive ambience. The uniquely constructed Ivory Class guest rooms---96 in total---with en suite bathrooms, individually appointed with authentic Africana and murals painted by a renowned local artist, convey a distinctive Maasai Manyatta mood.

Grouped in the manner of a Maasai village, each room enjoys a view of either majestic Mount Kilimanjaro or the expansive Amboseli plains which are home to herds of elephant that feed on the large, feathery acacia trees. Overlooking the salt lick and floodlit water hole, the open-air dining room serves guests sumptuous international menus, buffets and barbecues alongside authentic African dishes. A bar and refreshing outdoor pool are some of the other luxuries one can expect to find at this lodge.

DAYS 9/10/11~MONDAY/TUESDAY/WEDNESDAY~NOVEMBER 8/9/10

LAKE NAKURU NATIONAL PARK/LAKE ELMENTEITA/HELL'S GATE/LAKE NAIVASHA/CRESCENT ISLAND

Travel overland to Nairobi in time for lunch and then continue to the heart of the Great Rift Valley, which roughly bisects Kenya from north to south, a huge geological fault line that stretches round one-sixth of the Earth's circumference and is visible from far out in space. At 2,000 feet deep and 30 miles wide, it runs as far as the eye can see. Its walls are sheer and high and, along its length, there are many volcanoes that are mostly dormant. The landscape, with bubbling springs and geysers, is spectacular. Arrive at your spectacular tented camp and relax for the rest of the afternoon.

Spend the next day at Lake Nakuru National Park, a shallow alkaline body of water, once world-renowned for the huge concentration of flamingos. Today, there are not many flamingoes left, but the park boasts a huge variety of animals including leopards – often found snoozing on the branches of magnificent yellow-barked acacias – lions, buffalo, hippos, waterbucks, warthogs, baboons, and the endangered Rothschild's giraffes (only found in this part of Kenya), white rhinos and the rare, protected black rhinos. For the bird-watching enthusiast, there are 450 species found in the park's vicinity, with a big concentration of water birds, including marabou storks and pelicans.

Next day, take a walk at Hell's Gate, so named because of this gorge's interesting geological formation. If you're active, you'll love the chance to get out and experience nature on foot. Famous for its natural hot geysers, the area is also a haven for ornithologists with its eagle and vulture breeding grounds. During your walk, you may spot Verreaux's eagles, augur buzzards, and thousands of swifts; 103 bird species have been recorded in the park. The game will not let you down either: buffalo, Maasai giraffes, elands, hartebeest, lions, leopards, and some cheetahs are in the area, although not easily viewed. During your walk, your guide will point out the various plants and discuss their medicinal uses.

You will also be treated to a boat ride on Lake Naivasha, where hippos and water birds abound, en route to Crescent Island, which you can explore on foot. No predators are found on this island, so walking among the free-roaming antelope is sure to be a fun experience. This island, shaped like a quarter moon, is a sanctuary for herds of antelope and many species of birds. Over 350 bird species have been recorded, with Thomson's gazelles, waterbucks, monkeys, and other wildlife to keep them company.

Your home for the next two nights, Lake Elmenteita Serena Camp, offers luxurious accommodations nestled in the amazing Rift Valley scenery. Uniquely situated on the shoreline of sapphire-blue Lake Elmenteita where hundreds of thousands of birds congregate, the small and exclusive Lake Elmenteita Serena Camp opened in June 2011. Evocatively styled to echo the area's rich history, the camp blends aristocratic elegance with modern luxury and offers cuisine and service of fittingly high standards.

DAYS 12/13/14 ~THURSDAY/FRIDAY/SATURDAY~NOVEMBER 11/12/13

MAASAI MARA/ NORTHERN SERENGETI

Drive to the Maasai Mara, Kenya's most famous wildlife reserve. It is classic savannah grasslands, where animals are plentiful and the vistas spectacular. In this dreamlike land, animals live in freedom, and the Maasai care for their herds, all sharing the same land with minimal conflict. You will have three days of wildlife-viewing opportunities in the Maasai Mara Reserve, also known as the "Jewel of Africa," a site with one of the largest and the most spectacular animal migrations in the world. The reserve is inhabited by many of Africa's most popular wild animals, including lions, cheetahs, elephants, leopards, black rhinos, and hippos. There are also over 500 resident species of birds in the park, including ostriches, larks, and sunbirds as well as the lovely lilac-breasted rollers.

The area is famous for rolling grasslands and for the Mara River, which runs through the reserve from north to south. The reserve covers an area of 700 square miles and forms part of the Serengeti ecosystem, hosting the world-famous spectacle of the annual migration of up to two million wildebeest, thousands of zebras, and an escort of carnivores from the Serengeti Plain that follow the rains and succulent new grasses. This is a costly trek as many of the lame and sick will fall prey to predators and many more will die in the swirling flood waters of the Mara River as they try to cross it. While this is not the time to see the crossings as most of the herds have migrated back to Tanzania, you should still see quite a variety, as the Mara has resident wildlife all year long. The Mara also has one of the highest concentrations of cheetahs on the continent, as well as many magnificent black-maned lions.

While in the Mara, you will visit a Maasai Village to experience this semi-nomadic tribe's way of life and their unique culture.

The Mara Serena Safari Lodge is an interpretation of a traditional Maasai Manyatta village of domed huts. Accommodation is offered in 73 guest rooms, all of which have been styled to mirror the circular motif of a traditional Maasai Manyatta village of domed huts. The widely spaced and secluded rooms have been individually styled in exuberant bush colors and feature spacious en suite bathrooms. It is set on the saddle of a hill where it overlooks the 695 square miles of rolling plains, woodlands and rivers that make up the Maasai Mara Triangle---one of the world's richest wildlife sanctuaries. No other lodge has such a spectacular view of the surrounding landscape or the wildlife and birdlife that inhabit it. It is on this very terrain stretching endlessly before the lodge where the annual migration takes place, where millions of wildebeest, zebras, and gazelles traverse the landscape to feed on the rich new grass and give birth to their young.

DAYS 16/17~MONDAY/TUESDAY~NOVEMBER 15/16 ENTEbbe/BWINDI IMPENETRABLE FOREST NATIONAL PARK

Spend two days in enchanting Bwindi Impenetrable Forest National Park. Huge trees are festooned with creepers and parasitic plants such as mistletoe and orchids. At least 120 species of mammals make their home here in one of the richest ecosystems in Africa. Besides the 10 species of primates, elephants, bush pigs, giant forest hogs, many species of bats and rodents, at least 346 species of birds (including rare forest birds), 14 species of snakes, 27 species of frogs and toads, 6 chameleons, 14 lizards, skinks and geckos, and at least 202 species of butterflies are resident in the forest. There are also several endangered species of birds with limited ranges. Ugandan authorities are fiercely protective of this natural treasure and permit only a limited number of travelers per day. **Your group will have the opportunity for two treks per person to view the mountain gorillas during your stay (at additional cost).**

Gorillas here live on the slopes of ancient volcanoes in high-elevation forests. The treks can last from four to seven hours (or more) depending on when you spot the gorillas. There is an hour limit to the time you spend with these majestic creatures once you spot them. Tracking gorillas through misty, seemingly impenetrable forests can be an exhausting process as the paths are often slippery, entangled, and wet. However, this effort is quickly forgotten the minute you encounter these beautiful creatures. *Approximately 98% of the gorilla treks are successful but there is no guarantee that you will see the gorillas.*

Optional Batwa experience (at an additional cost)

The Batwa were the original ancient dwellers of the forest. The first records of pygmies were made by the Egyptians over 4,000 years ago. They described short-stature people living near the "Mountains of the Moon" and extolled their abilities as dancers and storytellers. Homer and Aristotle also made mention of them. They lived peacefully, kept their traditional ways, and left a small footprint of their presence in the ancient forests. The Batwa Development Program is a community organization that supports the Batwa to become self-sufficient. The organization owns land where the pygmies practice and preserve their ancient traditions and also share them. Inspiring Batwa elders lead tours that reveal their use of medicinal plants, hunting/gathering customs, traditional homes, and even let you try shooting a bow and arrow!

Bwindi Lodge is a comfortable and stylish eco-lodge with eight bandas (cottages) and stunning views overlooking the primeval forest. The secluded bandas are tucked into individual clearings in the surrounding dense greenery. Each cottage is simple but elegantly furnished with hardwood floors and furniture, woven grass rugs, distinctive lighting and local crafts. All of them have en-suite eco-bathrooms with solar-powered showers (hot and cold water) and flushing toilets. Power is solar-generated, and charging facilities are located in common areas. A cozy fireside bar and lounge in the main building offers the opportunity to relax and enjoy the facilities after your gorilla viewing.

BRING-A-BOOK FOUNDATION

Your safari may include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture, and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools firsthand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for schoolchildren. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa, and Zambia, as well as to other countries our travelers visit around the world. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included wild dog, elephant, rhino and cheetah conservation in Botswana, Kenya, Tanzania, and Namibia; penguins in Punta San Juan Peru; tiger preservation in India; and sponsoring school children in Kenya, among many other projects around the world. By traveling with Classic Escapes, you are supporting travel as a tool for building the mutual respect, awareness, and understanding that are vital to preserving this planet for future generations.

THINGS YOU NEED TO KNOW ABOUT KENYA & TANZANIA

Participants:

- Must be able to climb in and out of, as well as move around in confined quarters within safari 4 x 4 vehicles, minibuses, and small aircrafts unassisted. People need to be willing to rotate seats.
- Must be able to tolerate riding on uncomfortably uneven, bumpy roads (some with many potholes) for long periods of time (3--6 hours maximum), as well as some off-road experiences when opportunities allow.
- Must be able to stand and/or walk moderate distances when visiting villages, towns, or other sites. This walking will be on uneven ground or uphill, often at altitudes many people are not used to.
- Should generally be in good health and prepared to travel in locations without medical facilities.

In general, this trip requires:

- Flexibility and good humor---unexpected changes and/or glitches will occur.
- A spirit of adventure and curiosity.
- Interest in and willingness to appreciate a destination with a modest infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings, and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the "land only" rate for this program. **The start city for this program is Arusha, Tanzania, and the end city is Nairobi, Kenya. The post-tour extension returns from Entebbe, Uganda.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.

CONDITIONS OF TRAVEL:

REGISTRATION

HOW TO BOOK: Fill out and sign the enclosed reservation form and send it, along with the relevant deposit as shown below, to: Classic Escapes Inc., 58-25 Queens Blvd., Woodside NY, 11377. Upon receipt of your signed reservation form and deposit, we will, subject to availability, reserve your spot on the tour. You may consider your booking confirmed when you receive a confirmation notice and invoice from us.

PAYMENTS

DEPOSIT: A deposit of \$1,500 per person for the main trip and \$750 for the post-tour extension must be submitted at the time of booking. Deposits may be paid by check or charged to American Express, MasterCard, Visa or Discover.

FINAL PAYMENT: Final payment is due 95 days before departure (July 28, 2021): you will receive a final invoice. **Final payment is payable by check or money order ONLY.**

RATES: Rates are based on the minimum number of guests outlined in this document, plus airfare costs, currency exchange rates, and other factors and are subject to change. Although it is rare for Classic Escapes to make a price adjustment after promotion of an itinerary, we do reserve the right to assess a surcharge if the minimum number of travelers is not met, or if increases are forced upon us by airlines or other partners or because of changes in currency exchange rates.

NOT INCLUDED: Cost of passport and visa fees, as well as service charges for obtaining visas; excess baggage charges levied by airlines; laundry and other items of a personal nature; optional travel insurance policy; cost for anything not specifically included in listing above.

SINGLE SUPPLEMENT: The quoted rate is valid for the first two single rooms booked and on a first-come, first-served basis. If more than two single rooms are needed, an additional supplement will apply. Single accommodations are not guaranteed, but they will be provided at additional cost if available (see reservation form for cost). The single-room supplement pays for privacy, not better accommodations. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single-room supplement prior to your departure from the USA.

GRATUITIES AND TAXES: Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included. U.S. and foreign airport taxes are included in airfare costs. Tips to drivers and naturalist guide are NOT included.

CANCELLATIONS, DEVIATIONS & CHANGES

TRAVEL INSURANCE: We recommend travel insurance. Travel insurance can provide financial reimbursement should the unexpected occur.

CANCELLATIONS: Cancellations are only effective on receipt of written notification. The following per-person fees are applicable on this tour:

- Up to July 28, 2021, less \$300 handling fee and \$500 nonrefundable deposit given to overseas suppliers; plus, gorilla permits which are nonrefundable once purchased.
- July 29 to August 17, 2021, deposit is forfeited, plus the gorilla permits.
- August 17 to 27, 2021, less 75% of tour cost, plus the gorilla permits.
- August 27, 2021, no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines.

WE STRONGLY RECOMMEND THAT YOU OBTAIN THE OPTIONAL TRIP CANCELLATION INSURANCE POLICY.

CHANGE FEES: Once you reserve your tour, changes are possible, subject to availability, of air or land space at the time of request. Should there be any change in fees imposed by airlines or ground operators, or additional costs incurred due to availability of any space, this cost will be invoiced to you.

SPECIAL ARRANGEMENTS: We would be happy to make additional travel plans for you, including specially arranged pre- or post-tour extensions different than those that may be offered in conjunction with this tour. A service charge of \$150 per person (over and above the cost of the services required) will be assessed.

DOCUMENTS

PASSPORT & VISAS: It is the guest's responsibility to ensure that passports and visas are valid for the countries visited and for the applicable time period, as outlined by the U.S. Department of State (travel.state.gov) or by the passport holder's country. Classic Escapes, their staff and their agents, cannot be held liable for any visas, etc., not held by the guests, nor for the cost of obtaining visas.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send a pre-departure packet to you. This packet contains all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, etc.

FINAL DOCUMENTS: Final documents and tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

OPTIONAL AIR TRANSPORTATION: Round-trip, economy-class flights via DELTA AIR LINES and/or other IATAN carriers are between SAN DIEGO and the destination city noted in the itinerary. Rates are based on special promotional fares; cancellation fees apply once tickets are issued. Departures from other cities in the USA are possible at additional cost; inquire at the time of reservation. Please note that these promotional fares are subject to 10 passengers traveling together on the same airline routing and itinerary. If this minimum is not met, the special group rates are not applicable and it might become necessary to issue instant purchase tickets earlier than when final payment is due in order to take advantage of airfares that are similar to the group rates. Should this occur, you will be contacted with the details.

AIRLINE SEATING: For DELTA AIR LINES, we request seats together for the group. All planes are nonsmoking. We can request a seating preference on your behalf; however, requested seats cannot be guaranteed. Requests should be made in writing no later than 60 days prior to departure. Bulkhead and/or emergency row seats can only be requested at airport check-in on the day of departure. Boarding passes will only be issued at the airport on the day of departure. You may inquire about seat changes during check-in, based on availability, and is at the sole discretion of airport staff.

FREQUENT FLYER MILEAGE: As mentioned, we work primarily with DELTA AIR LINES. For a list of the airline's partners, visit http://www.delta.com/content/www/en_US/skymiles/2015-skymiles-program.html. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Round-trip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

TRIP DETAILS

ACCOMMODATIONS: You will marvel at the wonderful accommodations provided throughout your tour. All rooms have private bathroom facilities and air conditioning and/or fans. All rates are based on double occupancy. Most rooms are twin-bedded, but king-size beds are occasionally available and should be requested in advance. Accommodations listed in this itinerary are correct at time of writing, but on rare occasions they may be substituted for a different property of comparable quality.

MEALS: All meals as specified in the itinerary. Please notify us if you have special dietary needs or requests, and we will do our best to accommodate you.

INOCULATIONS: When it comes to vaccination and disease prevention, we suggest that travelers first review information provided by the U.S. Centers for Disease Control and Prevention (www.cdc.gov/travel) and then review those details with their personal physicians.

WATER: It is always advisable to drink bottled and/or filtered water when traveling overseas. Safe drinking water will be provided to travelers free of charge in the vehicles and during meals.

BAGGAGE: On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds. However, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. Despite this weight allowance, we always suggest guests travel light. Also, soft-sided duffel bags are ideal for this tour, as they stow best in vehicles and airplanes with limited space.

LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights aboard light aircraft, which are designed with a maximum luggage allowance; this is closely monitored by the flight operators for safety reasons. You are allowed one carry-on and one piece of luggage, total weight: **33 Lbs. (15 kg.)** per person, including camera equipment.

If the guest is unable to use any service provided in the itinerary, then there are no refunds due.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. If one of our guides is unable to take a trip due to illness, etc., we reserve the right to substitute with another guide. This agreement is made subject to, and shall be governed by and construed according to, the laws of the country in which the trip takes place. Classic Escapes acts merely as an agent for the operating companies. To the best of our knowledge the itinerary is correct at the time of printing. We cannot be held responsible for any inaccuracies or changes that may occur after printing.

CONSENT: The payment of the deposit OR any other partial payment for a reservation on a trip constitutes consent by all guests covered by that payment to all provisions of the conditions and general information contained in this brochure, whether the guest has signed the booking form or not. The terms, under which you agree to take this trip, cannot be changed or amended except in writing and signed by an authorized director of the Company. By forwarding a deposit, the passenger certifies that he/she does not have any mental, physical or other condition of disability that would create a hazard for him/herself or other participants and accepts the terms contained in this Conditions of Travel Agreement.

Classic Escapes, including their representatives, employees, and agents, will take no responsibility for any costs, losses incurred or suffered by the guest or guest's dependents or traveling companions. **You must be medically able to travel when you pay your premium.**

The San Diego Zoo provides emergency medical and evacuation insurance at no cost. Optional insurance information will accompany your confirmation of deposit. It is important that you purchase insurance within 14 days from the date of your confirmation of deposit issuance in order to waive preexisting conditions.
